

**Jamie G. Metcalfe**

**Vice President of IC Package Co-design Marketing,  
Allegro System Interconnect Design Platform**

Jamie Metcalfe is vice president of IC Package Co-design marketing for the Allegro System Interconnect Design Platform of Cadence Design Systems, Inc. He joined Cadence Design Systems in 1997 as the group director of product marketing for the Performance Engineering group.

Prior to Cadence, Jamie spent ten years at Mentor Graphics, most recently as the European marketing manager for the company's Systems Design product line. Jamie began his career with Racal-Redac (now part of Zuken) where he worked

as a software engineer and team leader.

Jamie holds a B.S. degree in math and computer science from Birmingham University in Birmingham, England.
